

The Standard of Care: Hot Topics & Controversies

Advanced Topics in Supervision Series

Taught by Debra Manchester, LCSW

Date: Saturday, November 18, 2017

Time: 9 am-12 noon

Credits: Three hours (3 CEU's)

Cost: \$60 if licensed; \$50 if intern/student

Antioch University, Community Hall, 602 Anacapa St.

This course is designed for supervisors and clinicians (both MFT's and LCSW's) who want an annual update on recent developments in legal and ethical issues from a clinical as well as a legal perspective. Topics vary from year to year based on recent changes in law or legal precedents. The format includes a PowerPoint presentation, case analysis and group discussion. It is intended for those who have already completed the original six-hour course that covers all the basics of Laws and Ethics.

The purpose of this course is to provide supervisors and clinicians with annual updates regarding laws and ethical issues relevant to the mental health practitioners in CA.

Topics in this year include:

- Proper assessment in embattled child custody cases
- The latest thinking on parental alienation
- The pro's and con's of medication and other adjuncts to treatment
- What to do when therapy isn't working
- Ethical pitfalls and how to avoid them
